

STATE OF MICHIGAN
TERRI LYNN LAND, SECRETARY OF STATE
DEPARTMENT OF STATE
LANSING

DATE: August 18, 2006
TO: Political Party Committees
FROM: Michigan Department of State, Bureau of Elections
SUBJECT: **FILING DEADLINE FOR POST-PRIMARY CAMPAIGN STATEMENT**

Carefully read this memo to determine if the described filing is required of your committee.

The September 7, 2006 Campaign Statement is required of Political Party Committees that participated in the August 8, 2006 primary.

Campaign Statement Filing Deadline

The Post-Primary Campaign Statement, due September 7, 2006, covers the committee's financial activity through August 28, 2006.

Your committee must file the Post-Primary Campaign Statement if between July 24 and August 28 the committee makes a contribution to support -- or an independent expenditure to support or oppose -- a candidate involved in the August 8th primary election.

Campaign Statement Coverage Dates

A Campaign Statement's opening date is the day after the closing date of the last Campaign Statement filed by the committee. If the committee has never filed Campaign Statements, the opening date of the first Campaign Statement filed is the earlier of the following two dates: 1) the committee's formation date or 2) the date the committee accepted its first contribution or made its first expenditure.

Campaign Statement Forms

Campaign Statement forms and instructions are available on the Department of State's website <www.michigan.gov/sos>.

Timely, Accurate Campaign Statements Required!

- If the committee raised **\$10,000.00 or less** during the previous two years, a \$25.00 late filing fee will be assessed each business day the Statement remains unfiled up to \$500.00.
- If the committee raised **more than \$10,000.00** during the previous two years, the maximum late filing fee which can be assessed is increased to \$1,000.00. The fee is assessed as follows:
 - (a) \$25.00 for each business day the Statement remains unfiled.
 - (b) An additional \$25.00 for each business day after the first three business days the Statement remains unfiled.
 - (c) An additional \$50.00 for each business day after the first 10 business days the Statement remains unfiled.
- Campaign Statements that are hand delivered, sent by first class mail, or submitted electronically via the Internet must reach this office before 5:00 p.m. on the due date. Committees must be sure to allow ample mailing time if sending a filing by first class mail.
- A Post-Primary Campaign Statement that is mailed by registered mail, certified mail, or an overnight delivery service, and postmarked on or before the filing deadline, will be viewed as a timely filing regardless of when it arrives.
- Be sure to fill out all forms as accurately as possible. Notices will be sent to the committee if forms are omitted, figures are wrong, addresses are incorrect, etc. The committee is then required to file an amendment to correct the error.
- A Campaign Statement will not be accepted if it is illegible, does not bear a proper signature, is not the proper size, or is presented in a computer format that has not been approved by the Department of State's Bureau of Elections.
- County Political Party and State Central and Congressional District Political Party Committees must file one original copy of each required Campaign Statement.

Reporting Waiver Provisions

A committee that does not expect to receive or spend more than \$1,000.00 in a calendar year is eligible for a Reporting Waiver. A committee that qualifies for, and receives, a Reporting Waiver is exempt from filing Campaign Statements.

- To become eligible for a Reporting Waiver, the committee must check item 10 on its Statement of Organization. This tells the filing official that the committee does not expect to receive or spend more than \$1,000.00 in a calendar year. The committee can check item 10 on its original Statement of Organization or on an amendment to its Statement of Organization.
- A committee that does not check item 10 on its Statement of Organization is not eligible for a Reporting Waiver. This means that the committee must file Campaign Statements regardless of the amount received or spent during the reporting period.

- A committee loses its Reporting Waiver if it receives or spends more than \$1,000.00 in a calendar year. Note that funds leftover at the end of the year count toward the amount received for the next calendar year. If the Reporting Waiver is lost, the committee must file the next required Campaign Statement.

Identification Requirements

The Michigan Campaign Finance Act requires PAC's, Ballot Question Committees and Political Party Committees to add the statement “**paid for with regulated funds**” to the identification or disclaimer included on printed matter or in paid radio or television advertisements. The following wording is recommended: “Paid for with regulated funds by (name and address of committee).”

Merts Plus Software For Political Party Committees

The following reminders are offered for Political Party Committees using MERTS Plus software to file Campaign Statements electronically for the August 8, 2006 primary. **Questions concerning the use of the software should be directed to MERTS Plus Tech Support at: (703) 749-4642 or sent by e-mail to techsupport@nicusa.com.**

- **Election Cycles** – Make sure the correct election cycle(s) are entered into the Election Cycles Window. The election cycle for a candidate participating in the August 8th primary election ends on November 2, 2004. For expenditures made after the November 2, 2004 general election to support or oppose candidates or issues, a new election cycle must be created for each candidate or ballot issue (Section 1.4 of the MERTS Plus Manual for Political Party Committees). The election cycle begins on the day after the last general election and ends on the day of the general election.
- **Campaigns** – Make sure the correct campaign(s) are created in the Campaign Window for each candidate or issue supported or opposed by the committee. For expenditures made after the November 2, 2004 general election to support or oppose candidates or issues, a new campaign must be created for each candidate or ballot issue (Section 1.5 of the MERTS Plus Manual for Political Party Committees).
- **Reporting Periods** – A separate report record (with correct coverage period dates) must be created in the Reports Window for each Campaign Statement that will be submitted by the committee electronically (Section 1.6 of the MERTS Plus Manual for Political Party Committees).
- **Amendments to Campaign Statements** – An amended Campaign Statement cannot be filed until an original Campaign Statement has been filed electronically. If more than one amendment to a report has been created, each amendment must be submitted electronically in the order it was created.

Obtaining The Merts Plus Software

State level committees wishing to obtain the MERTS Plus software may apply on-line at the MERTS Plus website (www.mertsplus.com). Both on-site and on-line software-training options are available. Access to the software is provided to committees that have completed the training session and submitted an original or amended Statement of Organization requesting the MERTS Plus software. A “Vendor Pack” (a file layout program to be used in lieu of the Merts Plus software with the approval of the Bureau of Elections) can also be obtained by contacting the Bureau of Elections.
